THE CALCUTTA PORT TRUST

NOTIFICATION

IN accordance with the provision of sub-section (1) of section 124 of the Major Port Trusts Act, 1963, the following by-law Nos. 39A, 39B and 39C which the Trustees propose to incorporate in the by-laws for the Port of Calcutta after repealing the existing by-law No. 39A are hereby published for general information:

Incorporation of By-law Nos. 39A, 39B and 39C

39A. No Owner or Master or Agent of a vessel shall allow the loading or discharge of any foreign or coastal cargo overside without first satisfying himself that Calcutta Port Trust's charges due on such cargo have been paid in full on Dock Challans or Jetty Challans, as the case may be, to be filed by the Exporters or Importers concerned or their agents or assignees, provided that in cases where port charges due have not been paid, the cargo may, at the discretion of the Trust's Financial Adviser and Chief Accounts Officer in special case, be allowed to be shipped or discharged overside against a bank guarantee to be filed by the Owner or Master or Agent of the vessel.

In default, the Owner or Master or Agent shall, without prejudice to any other provision of the by-laws, be jointly and severally liable for payment of the Port charges due on the cargo remaining unpaid with interest thereon at the rate of six per cent. per annum calculated from the date the vessel starts loading or discharging of such cargo up to the date of payment to Calcutta Port Trust of the Port charges on them. A continued breach of the by-law would result in denial of Port facilities to such vessels or to any vessel handled by such Owner, Master or Agent.

39B. The Owner or Master or Agent of a vessel shall within four weeks from the completion of loading or discharge of a vessel submit to the Calcutta Port Trust's Financial Adviser and Chief Accounts Officer the relative Freight Manifest, provided that extension of time for submission of Freight Manifest may, at the discretion of the Trust's Financial Adviser and Chief Accounts Officer, be allowed in special cases. In default, without prejudice to the Trust's other rights, such breach would result in the denial of Port facilities to such vessel or to any vessel handled by such Owner, Master or Agent.

39C. The Trust's Traffic Manager may, at his discretion, have vessels due for unloading/loading at any of the Port Trust's Docks, Jetties, Buoys or River Moorings surveyed by recognised Marine Surveyors to be selected by the Traffic Manager at the cost of the Owner/Master/Steamer Agents of such vessels prior to commencement of discharge/loading and on completion of discharge/loading. It shall be obligatory on the part of the Master/Steamer Agents of the vessel to submit a statement showing the particulars of payment of Port charges due on the cargo unloaded/loaded from/into the vessels to the Financial Adviser and Chief Accounts Officer and the Traffic Manager of the Calcutta Port Trust for proper assessment of Port charges. The Traffic Manager shall have the right not to allow commencement of work and/or sailing of such vessels till such time such surveys are completed.

2. The proposed by-law will be submitted to the Government of India for approval on the expiry of fourteen days after the first publication of this notification in the State Gazette and comments or criticism, if any, with regard thereto, received by the undersigned within that period, will be considered.

K. N. GANGULY, Secretary.

The Government of West Bengal, Labour Department, has referred an industrial dispute between Messrs R. S. Industries, 95/22 Dharmatala Road, Ghusury, Howrah, and their workmen represented by Howrah Zilla Engineering Employees' Union, 34 Joybibi Road, Ghusury, Howrah, to this court by its Order No. 7646-IR/IR/10L-209/73, dated 18th December 1974, under section 10 of the Industrial Disputes Act, 1974, for adjudication on the following issue :—

Issue

> Whether the transfer of Shri Chandra Sekhar Thakur from Factory to Head Office and subsequent termination of service by way of refusal of employment from 19th June 1974 are justified? To what relief, if any, is he entitled ?

Pursuant to the notice served on the parties the union appeared on 14th February 1975 and prayed time for filing written statement. The prayer for time was allowed and the case was adjourned to 8th March 1975 for filing written statement by the union. On 8th March 1975 the union filed written statement in triplicate and the case was adjourned to 1st April 1975 for filing written statement by the company. The company, even after receiving the notice, remained absent and did not file any written statement on 1st April 1975. So the case was adjourned to 22nd April 1975 for filing written statement by the company. On 22nd April 1975 the company was absent and the case was adjourned to 16th May 1975 for orders. On 16th May 1975 the company was absent but the union was present and the case was adjourned to 18th June 1975 for hearing. On 18th June 1975 the case could not be taken up as I was on leave and therefore the case was adjourned to 2nd July 1975 for hearing.

The case has been heard ex parte as the company did not appear since 15th January 1975 which was the date for appearance of the parties after service of the notice on it.

The union, by filing written statement on behalf of the workman, contends that Chandra Sekhar Thakur was appointed by the company, Messrs R. S. Industries, by the appointment letter dated the 17th August 1959, as a Supervisor in the company's factory and he has been in continuous service since then. By its letter dated 11th June 1974 the company asked the workman, on transfer, to join its Head Office at Calcutta. This transfer order of the workman was mala fide and illegal and this was done by the company to curb the union activities of Chandra Sekhar Thakur. Chandra Sekhar Thakur reported for duties on 15th June 1974, 17th June 1974 and 18th June 1974 and he signed the attendance register. On 18th June 1974 the workman was asked to work as a bearer. He protested because he had been transferred to the Head Office on the assurance that he would be allotted work at Head Office as a Supervisor. On 19th June 1974 when the workman reported for duty at the Head Office Shri S. K. Tekmani abused him in filthy language and told him to go. The service of the workman was terminated verbally with effect from 19th June 1974 by the management without assigning any reason. The workman has prayed for reinstatement with back wages.

Chandra Sekhar Thakur has examined himself as P. W. 1. Ext. 2 is the appointment letter issued by the company wherein he had been asked to join the duty with effect from 17th August 1959 as a Supervisor of its rolling mill, on terms and conditions stipulated therein. The workman says that he was getting salary of Rs. 270 per month when his service was terminated by the company on 14th June 1974. Since his appointment he had been working as a Supervisor in the rolling mill of the factory. He had to control the labourers working in the factory, see to the production and check up the scrap which was received by the company from outside. The workman says that on 13th May 1974 a back-dated notice (Ext. 4) was posted on the Notice Board asking him to join the Head Office on transfer with effect from 6th May 1974. On 10th May 1974 the workman wrote a letter (Ext. 3) to the company stating that he was not allowed to sign the attendance register from 6th May 1974 to 9th May 1974. When he saw the notice posted on the Notice Board the workman again wrote a letter (Ext. 5) on 14th May 1974 to the company and wanted certain clarifications regarding the terms and conditions of his job at Head Office. He was appointed as a Supervisor in the rolling mill of the company and therefore it was natural on his part to ask the clarification from the company regarding the work and terms and conditions of his service at the Head Office. By its letter dated the 25th July 1974 (Ext. 8) the company, instead of clarifying the point raised by the workman in his letter dated the 14th May 1975, asked the workman to join Head Office of the company within three days from the date thereon. The workman again wrote a letter on 3rd June 1974 (Ext.9) wherein he asked the following clarifications from the company :

(1) A formal letter incorporating the terms of the service

(2) Date on which he should proceed to Head Office.

(3) Post at the Head Office.

(4) Pay and rate of increment.

(5) Duty hours, tiffin hours and nature of job.

(6) Leave and bonus.

(7) Residential facilities

(8) Benefit of past service.

By its letter dated the 1st June 1974 (Ext. 1) the company informed the workman that he had been transferred to Head Office to do the same job which he had been doing so long. The workman says that he reported for duty on 15th June 1974 but no work was allotted to him. So on 18th June 1974 he wrote a letter to the company (Ext.12) in protest of the duty which had been allotted to him at the Head Office as peon or bearer. The workman says that on 19th June 1974 he was not allowed to join duty and the management terminated his service with immediate effect. So he wrote a letter to the company which has been marked Ext.15.

The documents produced by the workman and the evidence given by him show that the transfer of Chandra Sekhar Thakur from the rolling mill to the Head Office was in clear violation of the terms and conditions of his appointment, dated the 10th August 1959 (Ext.2). He had been appointed as a Supervisor in the rolling mill and there was no such condition that he would ever be transferred to Head Office to perform the duty of a peon or bearer. After rendering the service as a Supervisor in the rolling mill for more than 15 years he was suddenly asked to report for duty at the Head Office where he was allotted the duty of a peon. The behaviour of the management at the Head Office was highly objectionable and when he refused to do the work of a peon he was dismissed without assigning any reason. So I hold that the transfer of Chandra Sekhar Thakur from the factory to Head Office and his subsequent termination of service by way of refusal of employment on 19th June 1974 is unjustified and illegal. He is entitled to reinstatement with back wages from the date of termination of his service at the rate of Rs. 270 per month. I direct the company to reinstate the workman within 30 days from the date of publication of this award in the "Calcutta Gazette" and pay back wages from 14th June 1974 till the date of his reinstatement.

This is my award.

NOTIFICATION

No. 7659-WT.—23rd July 1975.—Whereas in pursuance of the provisions of the Calcutta Tramways Company (Taking over of Management) Act, 1967 (West Ben. Act XVI of 1967), the State Government took over management of the Undertaking of the Calcutta Tramways Company Ltd. (hereinafter referred to as the said Undertaking) on the 19th July 1967 in the public interest in order to secure the proper management of the same;

And whereas in this department notification No. 13309-WT, dated the 27th December 1968, published at pages 3115-3118 of Part I of the *Calcutta Gazette, Extraordinary* of the 28th December 1968, read with this department notification No. 2579-WT, dated the 28th March 1969, published at page 1197 of Part I of the *Calcutta Gazette, Extraordinary* of the 28th March 1969, directions were issued by the State Government to the Administrator of the said Undertaking for revision of tram fares in the manner indicated therein;

And whereas due to steep rise in wages and costs of materials such as spare parts, Traction Motors and other major components, etc., and increase of duties and taxes over years, the said Undertaking has been incurring heavy losses with attendant repercussion on effectiveness of its rolling stock and operation of daily services;

And whereas the said Undertaking has been kept going with ways and means advances granted by the State Government every month which constitute a heavy drain on the State Exchequer;

And whereas on account of constraints on resources the State Government are unable to bear the said heavy drain except at the cost of developmental schemes under the Plans and other social welfare measures;

And whereas the Governor is satisfied that an increase in tram fares is inescapable and inevitable for the proper and continued management of the said Undertaking in the public interest;

Now, therefore, in exercise of the powers conferred by section 15 of the Calcutta Tramways Company (Taking over of Management) Act, 1967, read with section 9 of the Calcutta Tramways Act, 1880 (Ben. Act I of 1880), and in supersession of this department notifications referred to above, the Governor is pleased to issue the following directions to the Administrator of the said Undertaking, namely:

Directions

The Administrator of the said Undertaking is hereby directed to revise the existing tram fare structure in accordance with the Schedule given below with effect from the 1st August 1975:

THE CALCUTTA PORT TRUST

NOTIFICATION

IN accordance with the provision of sub-section (1) of section 124 of the Major Port Trusts Act, 1963, the following by-law Nos. 39A, 39B and 39C which the Trustees propose to incorporate in the by-laws for the Port of Calcutta after repealing the existing by-law No. 39A are hereby published for general information:

Incorporation of By-law Nos. 39A, 39B and 39C

39A. No Owner or Master or Agent of a vessel shall allow the loading or discharge of any foreign or coastal cargo overside without first satisfying himself that Calcutta Port Trust's charges due on such cargo have been paid in full on Dock Challans or Jetty Challans, as the case may be, to be filed by the Exporters or Importers concerned or their agents or assignees, provided that in cases where port charges due have not been paid, the cargo may, at the discretion of the Trust's Financial Adviser and Chief Accounts Officer in special case, be allowed to be shipped or discharged overside against a bank guarantee to be filed by the Owner or Master or Agent of the vessel.

In default, the Owner or Master or Agent shall, without prejudice to any other provision of the by-laws, be jointly and severally liable for payment of the Port charges due on the cargo remaining unpaid with interest thereon at the rate of six per cent. per annum calculated from the date the vessel starts loading or discharging of such cargo up to the date of payment to Calcutta Port Trust of the Port charges on them. A continued breach of the by-law would result in denial of Port facilities to such vessels or to any vessel handled by such Owner, Master or Agent.

39B. The Owner or Master or Agent of a vessel shall within four weeks from the completion of loading or discharge of a vessel submit to the Calcutta Port Trust's Financial Adviser and Chief Accounts Officer the relative Freight Manifest, provided that extension of time for submission of Freight Manifest may, at the discretion of the Trust's Financial Adviser and Chief Accounts Officer, be allowed in special cases. In default, without prejudice to the Trust's other rights, such breach would result in the denial of Port facilities to such vessel or to any vessel handled by such Owner, Master or Agent.

39C. The Trust's Traffic Manager may, at his discretion, have vessels due for unloading/loading at any of the Port Trust's Docks, Jetties, Buoys or River Moorings surveyed by recognised Marine Surveyors to be selected by the Traffic Manager at the cost of the Owner/Master/Steamer Agents of such vessels prior to commencement of discharge/loading and on completion of discharge/loading. It shall be obligatory on the part of the Master/Steamer Agents of the vessel to submit a statement showing the particulars of payment of Port charges due on the cargo unloaded/loaded from/into the vessels to the Financial Adviser and Chief Accounts Officer and the Traffic Manager of the Calcutta Port Trust for proper assessment of Port charges. The Traffic Manager shall have the right not to allow commencement of work and/or sailing of such vessels till such time such surveys are completed.

2. The proposed by-law will be submitted to the Government of India for approval on the expiry of fourteen days after the first publication of this notification in the State Gazette and comments or criticism, if any, with regard thereto, received by the undersigned within that period, will be considered.

Amendment of section 6.

3. In section 6 of the said Act, for the words "eight years", the words "nine years" shall be substituted.

Repeal and savings.

4. (*1*) The Calcutta Tramways Company (Taking over of Management) (Amendment) Ordinance, 1975, is hereby repealed.

West Ben. Ord. IX of 1975.

(*2*) Anything done, any action taken or any order made under the said Act as amended by the Calcutta Tramways Company (Taking over of Management) (Amendment) Ordinance, 1975, shall be deemed to have been validly done, taken or made under the said Act as amended by this Act as if this Act had commenced on the 17th day of July, 1975.

STATEMENT OF OBJECTS AND REASONS.

In 1967, on the ground that the Calcutta Tramways Company had not been managing its affairs properly, the State Government enacted the Calcutta Tramways Company (Taking over of Management) Act, 1967 with a view to taking over the management thereof.

Under section 3(*1*) of the said Act, the State Government took over the management of the Undertaking. Any order issued under section 3(*1*) of the Act was to remain in force for a period of three years from the date of its publication in the *Official Gazette*. The said period of three years was extended from time to time. By the Calcutta Tramways Company (Taking over of Management) (Amendment) Act, 1974, the period was extended to eight years. The said period of eight years would have terminated after the 18th July, 1975. But it was not the intention of the State Government that the management of the Undertaking should revert to the Company. While negotiation was started with the Company, for its purchase, the deal could not be finalised. It was, therefore, decided to continue the existing Government management of the Company for a further period of one year beyond the 18th July, 1975 during which period steps might be taken to finalise the deal regarding purchase of the Undertaking.

As the State Legislature was not in session and the matter was considered to be extremely urgent necessitating immediate action, it was decided to promulgate an Ordinance for the purpose. Accordingly, an Ordinance, namely, the Calcutta Tramways Company(Taking over of Management) (Amendment) Ordinance, 1975 was promulgated by the Governor on the 16th July, 1975 after obtaining instructions from the President. It is now necessary to have the Ordinance replaced by a suitable Act.

The present Bill seeks to achieve the above purpose.

CALCUTTA,
The 24th July, 1975.

(2) Anything done or any action taken under the Great Eastern Hotel (Taking over of Management) Ordinance, 1975, shall be deemed to have been validly done or taken under this Act as if this Act had commenced on the eighth day of July, 1975.

STATEMENT OF OBJECTS AND REASONS.

The Great Eastern Hotel Ltd., Calcutta, was a reputed hotel at one time. But on account of gross mismanagement it became a losing concern and the Company failed to pay the salaries and allowances to their employees numbering about one thousand, statutory dues to the Government and to make payment to the sundry creditors. The Government of India appointed two Directors on the Board of Management in October 1973 and replaced them by two other Directors in May 1974 under the Companies Act, 1956. But even then there was no appreciable improvement in the management and affairs of the Hotel.

Calcutta happens to be an important metropolitan city in the whole of India and particularly in the Eastern Zone. Although it is an important centre for all the places of tourist interest in Eastern India, the Hotel accommodation for tourists and particularly for foreign tourists in Calcutta is absolutely inadequate. Calcutta happens to be an important commercial centre with shipping, railway and airway communication with the whole world. The guest service facilities of this Hotel deteriorated very much. Tourists and guests no longer preferred this Hotel although it is located in the heart of the metropolis.

Because of gross mismanagement and failure on the part of the management to discharge its statutory obligations towards the employees on the one hand and to the Government and sundry creditors on the other, it was apprehended that this time-honoured Hotel would soon stop its operation. The fate of the employees numbering about one thousand became absolutely uncertain.

In consideration of this dismal condition, the State Government decided to take over the management of the Hotel under article 31A of the Constitution of India and the State Government actually took over the management of the Hotel for a period of three years on the 9th day of July 1975 under provisions of the Great Eastern Hotel (Taking over of Management) Ordinance, 1975 (West Bengal Ordinance No. VI of 1975), promulgated by the Governor of West Bengal on July 8, 1975.

This Bill seeks to replace the aforesaid Ordinance to provide for good and efficient management of the Hotel, to promote tourist traffic in the city and to ensure security of employment of a large number of employees of the Hotel.

A
BILL

WHEREAS it is expedient to amend the West Bengal Council of Higher Secondary Education Act, 1975, for the purposes and in the manner hereinafter appearing ; West Ben. Act VIII of 1975.

It is hereby enacted in the Twenty-sixth Year of the Republic of India, by the Legislature of West Bengal, as follows:—

Short title. **1.** This Act may be called the West Bengal Council of Higher Secondary Education (Amendment) Act, 1975.

Amendment of section 18 of West Ben. Act VIII of 1975. **2.** In section 18 of the West Bengal Council of Higher Secondary Education Act, 1975 (hereinafter referred to as the said Act),—

(*i*) in sub-section (*1*), for the words "Boards of Studies in one or more", the words "Boards of Studies for one or more subjects in one or more" shall be substituted ;

Amendment of section 33.

3. In section 33 of the said Act, after the words "members of the Council", the words ", Boards of Studies and Committees" shall be inserted.

Repeal and savings.

West Ben. Ord. V of 1975.

(*2*) Anything done or any action taken under the said Act as amended by the West Bengal Council of Higher Secondary Education (Amendment) Ordinance, 1975, shall be deemed to have been validly done or taken under the said Act as amended by this Act as if this Act had commenced on the 12th day of June, 1975.

STATEMENT OF OBJECTS AND REASONS.

Sub-section (1) of section 18 of the West Bengal Council of Higher Secondary Education Act, 1975, empowers the Council to constitute Board of Studies in one or more of the several branches of education. The main function of these Boards of Studies is to prepare detailed syllabus for each subject. It is, therefore, necessary to amend this sub-section to enable the Council to constitute Boards of Studies in different subjects. This necessitates some minor amendments also in clause (iv) and clause (v) under sub-section (2) of that section. Under clause (iv) of sub-section (2) of the same section two members are to be elected on each Board of Studies by members of the Council from amongst the teaching staff of the recognised institutions. Since these new institutions have not yet been set up, it is considered desirable that for the first term these two members should be nominated by the State Government for effective functioning of the Board of Studies. Section 33 of the Act also requires amendment to enable the Council to pay allowances to the members of the Boards of Studies and of the Committees for attending meetings and also for other purposes if occasion arises.

With these objects in view the West Bengal Council of Higher Secondary Education (Amendment) Ordinance, 1975, was promulgated.

The Bill seeks to enact provisions of the said Ordinance.

Bill No. 38 of 1975

THE CHANDERNAGORE MUNICIPAL (AMENDMENT) BILL, 1975.

A BILL

to amend the Chandernagore Municipal Act, 1955.

WHEREAS it is expedient to amend the Chandernagore Municipal Act, 1955, for the purposes and in the manner hereinafter appearing: **West Ben. Act XVIII of 1955.**

It is hereby enacted in the Twenty-sixth Year of the Republic of India, by the Legislature of West Bengal, as follows:—

Short title. **1.** This Act may be called the Chandernagore Municipal (Amendment) Act, 1975.

Amendment of section 7 of West Ben. Act XVIII of 1955. **2.** To section 7 of the Chandernagore Municipal Act, 1955 (hereinafter referred to as the said Act), the following proviso shall be added, namely:—

> "Provided that all rules made by the State Government under the Bengal Municipal Act, 1932, after the date of commencement of this Act and in force in the State of West Bengal shall, to the extent they are not repugnant to the provisions of this Act read with the Bengal Act, *mutatis mutandis*, apply to and come into force in Chandernagore if so directed by the State Government by notification in the *Official Gazette*.". **Ben. The Chandernagore Municipal (Amendment) Bill, 1975

(Clauses 4, 5.)

Amendment of Schedule I.

4. In Schedule I to the said Act, paragraph 7 shall be omitted.

Repeal and savings.

5. (*1*) The Chandernagore Municipal (Amendment) Ordinance, 1975, is hereby repealed.

West Ben. Ord. VII of 1975.

(*2*) Anything done or any action taken under the said Act as amended by the Chandernagore Municipal (Amendment) Ordinance, 1975, shall be deemed to have been validly done or taken under the said Act as amended by this Act as if this Act had commenced on the 14th day of July, 1975.

STATEMENT OF OBJECTS AND REASONS.

Under the existing provisions of the Chandernagore Municipal Act, 1955 and the Chandernagore Municipal Councillors Election Rules, 1958, framed thereunder, the date for election of Councillors of the Chandernagore Municipal Corporation is required to be fixed at least six months ahead. Similar was the case in respect of all other municipalities governed by the Bengal Municipal Act, 1932, the dates for municipal elections being fixed at least seven months ahead.

But now after the recent passing of the Bengal Municipal (Amendment) Act, 1975 and framing of the West Bengal Municipal Election Rules, 1975, it is generally possible to hold such elections within a period of two months.

2. In order to be able to hold the election of Councillors of the Chandernagore Municipal Corporation within a reasonable period of two months as in all other municipalities in West Bengal it is necessary to delete the provisions laid down in paragraph 7 of Schedule I of the Chandernagore Municipal Act, 1955 and to empower the State Government to extend to the Chandernagore Municipal Corporation the provisions of section 21 of the Bengal Municipal Act, 1932, as amended by the Bengal Municipal (Amendment) Act, 1975, referred to above, relating to municipal elections under the proviso to section 6(1) of the Chandernagore Municipal Act, 1955.

3. It is also required to amend section 7 of the Chandernagore Municipal Act, 1955, to empower the State Government to extend the West Bengal Municipal Election Rules, 1975, to the Chandernagore Municipal Corporation. Some consequential changes are also necessary in section 8 of the said Act.

4. The Municipal Services Department therefore propose to amend sections 7 and 8 and to delete paragraph 7 of Schedule I to the Chandernagore Municipal Act, 1955, as stated above.

5. Accordingly the Chandernagore Municipal (Amendment) Ordinance, 1975, was promulgated incorporating the above provisions.

The object of the present Bill is to continue the provisions of the said Ordinance.

Bill No. 37 of 1975

THE CITY SESSIONS COURT (AMENDMENT) BILL, 1975.

A

BILL

to amend the City Sessions Court Act, 1953.

WHEREAS it is expedient to amend the City Sessions Court Act, 1953, for the purposes and in the manner hereinafter appearing; West Ben. Act XX of 1953.

It is hereby enacted in the Twenty-sixth Year of the Republic of India, by the Legislature of West Bengal, as follows:—

Short title. 1. This Act may be called the City Sessions Court (Amendment) Act, 1975.

Amendment of section 6 of West Ben. Act XX of 1953. 2. In section 6 of the City Sessions Court Act, 1953 (hereinafter referred to as the said Act), sub-section (*1*) shall be omitted.

Omission of section 9. 3. Section 9 of the said Act shall be omitted.

Repeal and savings. 4. (*1*) The City Sessions Court (Amendment) Ordinance, 1975, is hereby repealed. West Ben. Ord. VIII of 1975.

(2) Anything done or any action taken under the said Act as amended by the City Sessions Court (Amendment) Ordinance, 1975, shall be deemed to have been validly done or taken under the said Act as amended by this Act as if this Act had commenced on the 17th day of July, 1975.

STATEMENT OF OBJECTS AND REASONS.

Under the provisions of the City Sessions Court Act, 1953, the city of Calcutta is a Sessions Division and a District and the City Sessions Court, Calcutta, is a Court of Session for such Sessions Division. Though under the new Code of Criminal Procedure, 1973, a Court of Session may hear Appeal and can also entertain Reference and Revision, the City Sessions Court has no jurisdiction over such matters because of the prohibitory provision contained in section 6 of the City Sessions Court Act, 1953. In order to eliminate this conflict between the said two Acts, the City Sessions Court (Amendment)) Ordinance, 1975, was promulgated by the Governor on 15th July, 1975, vesting the City Sessions Court with the powers of entertaining Appeal, Reference and Revision.

The new Code of Criminal Procedure, 1973, which came into operation on 1st April, 1974, abolished the system of Jury trial in the Session Courts. But under section 9 of the City Sessions Court Act, 1953, trials in the City Sessions Court, Calcutta, are to be held with the aid of jury in accordance with the procedure and method as laid down in the old Code of Criminal Procedure, 1898. But as the old Code had been repealed by the new Code, a serious legal difficulty was faced by the City Sessions Court, Calcutta, with regard to the trial of Session cases. With a view to overcoming this difficulty and also in order to fall in line with the method and procedure of trial before the Session Courts of the rest of the country, as laid down by the new Code, the Jury trial in the City Sessions Court, Calcutta, was abolished by the same Ordinance as mentioned above.

The Bill seeks to replace the City Sessions Court (Amendment) Ordinance, 1975, mentioned above.

(*i*) a bank included in the Second Schedule to the Reserve Bank of India Act, 1934; 2 of 1934.

(*ii*) "a corresponding new bank" as defined in clause (*d*) of section 2 of the Banking Companies (Acquisition and Transfer of Undertaking) Act, 1970; and 5 of 1970.

(*iii*) any other financial institution which may be notified in this behalf by the State Government;'.

STATEMENT OF OBJECTS AND REASONS.

"Loan" as defined in clause (*12*) of section 2 of the Bengal Money-lenders Act, 1940, does not include a loan advanced by a Bank.

"Bank" as defined in clause (*1*) of section 2 of the Act does not, however, straight-way cover the Nationalised Banks.

It is necessary that loans advanced by the Nationalised Banks should also be kept outside the purview of the Bengal Money-lenders Act, 1940.

It is, therefore, proposed to amend clause (*1*) of section 2 of the Bengal Money-lenders Act, 1940, so as to include straight-way a Nationalised Bank within the definition of Bank under the Act.

The Bill has been drawn up to give effect to the aforesaid proposal.

3. **Net weight, measure and number, date of packing and sale price to be indicated on every package:** (1) On and from the appointed day, no person shall pre-pack for sale or cause to be pre-packed for sale any commodity unless each package in which such commodity is pre-packed bears thereon, or on a label securely affixed thereto, a declaration of—

SCHEDULE XX

Manufacture, handling or use of benzene

1. **Application:** This schedule shall apply to all factories or parts thereof in which benzene or substances containing benzene are manufactured, handled or used.

2. **Definitions:** For the purpose of this schedule—

(a) 'Substances containing benzene' means substances wherein benzene content exceeds 1 per cent. by volume.

(b) 'Substitute' means a chemical which is harmless or less harmful than benzene and can be used in place of benzene.

(c) 'Enclosed system' means a system which will not allow escape of benzene vapours to the working atmosphere.

(d) 'Efficient exhaust draught' means localised ventilation effected by mechanical means for the removal of gases, vapours, dusts or fumes so as to prevent them from escaping into the air of any workroom. No draught shall be deemed to be efficient if it fails to remove such gases, vapours, fumes or dusts at the point of origin.

(e) 'Workroom' means a room in which any process in the manufacture, use or handling of benzene or substances containing benzene or any process involving the use of benzene or substances containing benzene is carried on.

3. **Prohibition and substitution:** (a) Benzene or substances containing benzene shall not be used as a solvet or diluent unless the process in which it is used is carried on in an enclosed system or unless the process is carried on in a manner which, in the opinion of the Chief Inspector of Factories, is equally safe, as if it were carried out in an enclosed system.

(b) Where suitable substitutes are available, they shall be used instead of benzene or substances containing benzene. This provision, however, shall not apply to the processes specified in Appendix A to this Schedule.

(b) Where, however, it is not practicable to carry out the process in an enclosed system, the workroom in which benzene or substances containing benzene are used shall be equipped with an efficient exhaust draught or other means for the removal of benzene vapours to prevent their escape into the air of the workroom so that the concentration of benzene in the air does not exceed 25 parts per million by volume or 80 mg/m^3.

(c) Air analysis for the measurement of concentration of benzene vapours in air shall be carried out every eight hours or at such intervals as may be directed by the Chief Inspector at places where process involving use of benzene is carried on and the result of such analysis shall be recorded in a register specially maintained for this purpose. If the concentration of benzene vapours in air as measured by air analysis exceeds 25 parts per million by volume or 80 mg/m ^{3}, the manager shall forthwith report the concentration to the Chief Inspector stating the reasons for such increase.

(d) Workers who, for special reasons, are likely to be exposed to concentration of benzene in the air of the workroom exceeding the maximum referred to in clause (b) shall be provided with suitable respirators or face masks. The duration of such exposure shall be limited as far as possible.

5. **Measures against skin contact:** (a) Workers who are likely to come in contact with liquid benzene or liquid substances containing benzene shall be provided with suitable gloves, aprons, boots and where necessary vapour tight chemical goggles, made of material not affected by benzene or its vapours.

9. **Prohibition of consuming food, etc., in workrooms:** No worker shall be allowed to store or consume food or drink in the workroom in which benzene or substances containing benzene are manufactured, handled or used. Smoking and chewing tobacco, supari or pan shall be prohibited in such workrooms.

10. **Instructions as regards risks:** Every worker on his first employment shall be fully instructed on the properties of benzene or substances containing benzene which he has to handle and of the dangers involved. Workers shall also be instructed on the measures to be taken to deal with an emergency.

11. **Cautionary notices:** Cautionary notices in the form specified in Appendix B to this Schedule and presented in the language easily read and understood by the majority of the workers shall be displayed in prominent places in the workrooms.

GOVERNMENT OF WEST BENGAL

HOME DEPARTMENT

General Administration

RESOLUTION

No. 7332-G.A.—31st July 1975.—In the Home (General Administration) Department Resolution No. 320-G.A.C., dated 1st March 1972, and Resolution No. 43-G.A.(A.R.), dated 11th June 1973, the duties, powers and responsibilities of the officers of various levels of administration from the Division to the Block have been redefined for effective implementation of developmental schemes and co-ordination between different Departments of Government. It has been laid down in those resolutions that the Block Development Officer shall function as the principal officer in the Block and shall supervise and co-ordinate the work of all other officers in the Block ensuring that they carry out their duties and execute schemes as approved by their respective Departments. The Block Development Officer will also report progress of schemes within his Block periodically to the District Magistrate and the Subdivisional Officer. It has also been laid down therein that all officers at the Block level shall get their tour programmes approved in advance by the Block Development Officer before leaving headquarters except under special circumstances and shall also show or endorse copies of their tour diaries to the Block Development Officer.

2. The Block Development Officer is the sole Government functionary at the Block level to be approached by the public for all their problems covering the activities of different Departments of Government. There should, therefore, exist a single line of command at the Block level to tackle all problems satisfactorily. Since, the Block Development Officer is being entrusted with more and more duties and responsibilities as Government's activities proliferate, Government consider it all the more necessary to give him adequate authority over the Extension Officers and other Block staff to enable him to discharge his duties and functions effectively.

3. After careful consideration of all aspects of the matter, the Governor has been pleased to direct as follows:—

(i) The Block Development Officer shall be the controlling officer of all Extension Officers in the Block in all matters relating to leaving of headquarters station and sanction of casual leave and travelling allowance including daily allowance for tours, undertaken by them.

(ii) The Block Development Officer shall have the power to initiate and write the Annual Confidential Reports of the Extension Officers and other Block staff from the administrative point of view. In so far as the technical aspect of the work of the technical staff is concerned, the respective Departmental Heads will record their comments in their Annual Confidential Reports separately.

Order

Ordered that copies of this Resolution be communicated to all Departments of this Government and to all Officers concerned for compliance and that the Resolution be published in the "Calcutta Gazette".

Powers of commander of aircraft.

5. (*1*) If the commander of an aircraft in flight, wherever the aircraft may be, has reasonable grounds to believe in respect of any person on board the aircraft—

(*4*) Any restraint imposed on any person on board an aircraft under the powers conferred by the foregoing provisions of this section shall not be continued after the time when the aircraft first thereafter ceases to be in flight unless before or as soon as is reasonably practicable after that time, the commander of the aircraft causes notification of the fact that a person on board the aircraft is under restraint and of the reasons therefor to be sent to the appropriate authority of the country in which the aircraft so ceases to be in flight, but subject to such notification may be continued after that time—

(*a*) for any period (including the period of any further flight) between that time and the first occasion thereafter on which the commander is able with any requisite consent of the appropriate authorities to disembark or deliver the person under restraint in accordance with the provisions of sub-section (*5*); or

(4) If a complaint is made to such a consular officer as aforesaid that any offence has been committed on an Indian registered aircraft while in flight elsewhere than in or over India, that officer may enquire into the case upon oath.

(5) In this section—

(a) the expression "deposition" includes an affidavit, affirmation or statement made upon oath; and

(Department of Industrial Development)

PRESS-NOTE

Revision of definition of small scale industries and small scale ancillary industries

The strategic role of small scale industries in the country's overall economic development has been recognised in the successive Five-Year Plans. During the last two decades, over 400,000 small scale industries have been established, all over the country and they have been satisfactorily meeting the demand for a wide range of consumer goods, producer's goods, ancillaries and components. They have also facilitated the broadening of entrepreneurial base in the country and the decentralised pattern of industrial growth. However, in view of the steps, increase in prices of capital equipment and of replacement costs, the need for an upward revision in the present ceilings in the capital investment in the definition for small scale industries, namely, Rs. 7.5 lakhs and for small scale ancillary industries, namely, Rs. 10 lakhs had become obvious. The question of revision of definition was discussed at great length at the 32nd meeting of the Small Scale Industries Board held in November 1974. The unanimous view of the Board was that the increase in the prices of capital equipment has made the present ceilings in the definition unrealistic and that a revision of the ceiling was necessary to facilitate the modernisation of existing small industries and the growth of new viable units in sophisticated lines of production. The Board recommended that the ceiling in investment in plant and machinery should be raised from the present level of Rs. 7.5 lakhs to Rs. 10 lakhs and that of ancillary units from Rs. 10 lakhs to Rs. 15 lakhs. The revised definitions recommended by Board are as under:

(i) **Small Scale Industries:** Undertaking having investments in fixed assets in plant and machinery not exceeding Rs. 10 lakhs.

(ii) **Ancillary Industries:** Undertakings having investments in fixed assets in plant and machinery not exceeding Rs. 15 lakhs and engaged in—

(a) the manufacture of parts, components, sub-assemblies, toolings or intermediates; or

(b) the rendering of services;

and supplying or rendering, or proposing to supply or render 50 per cent of their production or the total services, as the case may be, to other units for production of other articles:

Provided that no such undertaking shall be a subsidiary of, or owned or controlled by, any other undertaking.

2. The Government of India have accepted the revised definitions recommended by the Board and decided to give effect to the decisions, with effect from 1st May 1975.

3. Apart from the increase in the monetary ceiling, the new definition for ancillaries involves changes in the following important respects:

(i) Units producing intermediates will now be recognised as ancillaries.

(ii) Units providing servicing facilities, e.g., sand-blasting machining, pressure cleaning, grinding, etc. will be recognised as ancillaries.

(iii) The concept of "parent" unit will now include small scale industries also. Thus, one small industry can function as ancillary to another.

(iv) A unit to be recognised as ancillary should supply or purpose to supply at least 50 per cent. of its production to one or more parent units.

4. Certain clarifications and explanations on the definition of small scale industries have been issued from time to time by the Government and these stand valid for the revised definition too. They are the following:

(i) In calculating the value of plant and machinery, the original price paid by the owner, irrespective of whether the plant and machinery are new or second-hand, will be taken into account.

(ii) The cost of equipment such as tools, jigs, dies, moulds and spare parts for maintenance and the cost of consumable stores will be excluded in computing the value of plant and machinery. Similarly, the cost of installation of plant and machinery will also be excluded.

(iii) In the case of imported machinery, import duty will be included, but not the miscellaneous expenses like transportation from the port to the site of the factory, demurrage if any paid at the port, and premium if any paid for import entitlement for import of machinery. However, shipping charges, customs clearance charges and sales tax should be included in computing the cost of plant and machinery.

(iv) The cost of generating sets if any installed will be excluded. Similarly, the cost of extra transformers, etc. which have to be installed by a unit as per the regulations of State Electricity Boards would also be excluded.

(v) The Bank charges and service charges paid to the National Small Industries Corporation or to the State Small Industries Corporations will be excluded in computing the cost of plant and machinery.

5. The implications of the changes in the definitions are as follows:

(i) All Industrial units covered by the new definition, existing as well as those newly started, will be eligible to the facilities and concessions open to small scale industries, such as credit on liberalised terms, allotment of factory sheds/plots in industrial estates/industrial areas, supply of machinery on hire/purchase terms through the N.S.I.C. and State Corporations, participation in Government Stores Purchase Programme, training and industrial extension services.

(ii) All small scale industries and small scale ancillary industries covered by the revised definition should register themselves with their respective State Directorates of Industries. Such units will be allocated indigenous raw materials, wherever such practice prevails, from out of the quotas allotted to the State Directors of Industries. Applications for imported raw materials for such units will be sponsored by the Directors of Industries.

However, small scale industries and small scale ancillary industries which were registered with D.G.T.D. prior to the introduction of the revised definition, will continue to receive assistance in the matter of raw materials through the D.G.T.D. as at present; they will have the option to be transferred to the State Directorates of Industries if they choose to apply for such transfer within six months from the date the revised definitions come into force. For all other facilities, these units will be registered as small scale industries with Directors of Industries.

(iii) All units which cross the limit of investment as now prescribed in the definition of small scale/ancillary units by process of natural growth will need registration with D.G.T.D. or other technical authorities. The units engaged in the manufacture of such items which are not eligible for exemption from the licensing provisions in terms of notification dated the 16th February 1973 issued by the Ministry of Industrial Development (e.g., units engaged in the manufacture of items exclusively reserved for small scale sector, units requiring foreign exchange for import of components and raw materials in excess of the prescribed limits and industries requiring special regulation) will need a 'Carrying-on business' licence before crossing this limit. Such units will have to submit their application in the prescribed manner to the Secretariat for Industrial Approvals. In granting the registration with D.G.T.D./ technical authorities, or the C.O.B. licences, the Government may impose export obligation on such units consistent with the policy of protection to the small scale sector.

Directors of Industries will keep a special watch over the units which are about to cross the upper limits of the definition so as to enable a smooth transfer of units from the Directorate of Industries to D.G.T.D. technical authorities and that the units take timely action to obtain the C.O.B. licences, wherever necessary.

However, if a small scale unit wishes to have some more time for the transfer to the D.G.T.D. list, a grace period up to two years will be allowed during which period it will continue to enjoy all the facilities under the small industries programme. A special report on such units will be made by the Directors of Industries to the Development Commissioner, Small Scale Industries.

6. Government have separately issued notification, vide No. INDRA/293/75, dated 19th May 1975, substituting the existing definitions for "small scale units" and "ancillary units" by the revised definitions for purposes of the Industries (Development and Regulation) Act, 1951.

C. B. RAU, Director.

ORIGINAL JURISDICTION

Company Petition No. 45 of 1975

In the matter of the Companies Act, 1956

And

In the matter of an application under section 101 of the Companies Act, 1956

And

In the matter of J. K. Business Machines Limited, a company incorporated under the Indian Companies Act, 1913 and having its registered office at No. 2, Mangoe Lane in the town of Calcutta within the jurisdiction aforesaid.

J. K. Business Machines Ltd.—Petitioner.

Notice of Registration of Order, Minutes, etc.

NOTICE is hereby given to all concerned that a petition by the petitioner abovenamed Messrs. J. K. Business Machines Ltd. to the Hon'ble High Court at Calcutta for confirmation by the said Hon'ble Court of a scheme of reduction and/or reorganisation of the share capital of the petitioner company was presented on the 3rd day of February 1975 and that on the 10th day of March 1975, the said petition was finally heard and disposed of by the said Hon'ble High Court when the said scheme of reduction and/or reorganisation of share capital was confirmed by the said Hon'ble Court, and whereas it was also directed by the Hon'ble High Court that a gist of the said order including the Explanatory Statement attached to the notice dated 28th day of December 1974 convening an Extraordinary General Meeting of the members of the petitioner company to be held at 12-00 noon on the 24th day of January 1975 and also including the fact of the registration by the Registrar of Companies, West Bengal, of the said Order and the Minutes as approved by the said Hon'ble Court shall be published once in the 'Statesman', 'Jugantar' and also the "Calcutta Gazette" within fourteen days of the registration of the said Order and the said Minutes as aforesaid and, accordingly, in pursuance of the said Order of the said Hon'ble High Court, this advertisement is being published.

The object of the said petition was to obtain sanction of the said Hon'ble High Court to a scheme of reduction and/or reorganisation of share capital whereby the entire share capital structure of the Company was reorganised, i.e. the then existing authorised share capital of Rs. 70,00,000 divided into 30,000 4½ per cent. free of income-tax Cumulative First Preference Shares of Rs. 10 each, 1875 4½ per cent. free of income-tax Cumulative "B" Preference Shares of Rs. 100 each, 70,000 5 per cent. free of income-tax Participating Cumulative Preference Shares of Rs. 10 each and 18,125 7½ per cent. free of income-tax Cumulative Convertible Redeemable Preference Shares of Rs. 100 each, and 800,000 Ordinary Shares of Rs. 5 each were proposed to be reorganised as authorised share capital of Rs. 70,00,000 divided into 100,688 11 per cent. Cumulative Redeemable Preference Shares of Rs. 10 each and 199,312 Preference Shares of Rs. 10 each and 400,000 Equity Shares of Rs. 10 each; and the then existing Subscribed and Paid-up Share Capital of the Company amounting to Rs. 21,87,500 divided into 30,000 4½ per cent. free of income-tax Cumulative First Preference Shares of Rs. 10 each, 1875 4½ per cent. free of income-tax Cumulative "B" Preference Shares of Rs. 100 each, 70,000 5 per cent. free of income-tax Cumulative Participating Preference Shares of Rs. 10 and 2,000 7½ per cent. free of income-tax Cumulative Convertible Redeemable Preference Shares of Rs. 100 each as also, 160,000 Ordinary Shares of Rs. 5 each were proposed to be reorganised so as to make a Subscribed and Paid-up share capital of Rs. 18,67,500 divided into 100,688 11 per cent. Cumulative Redeemable Preference Shares of Rs. 10 and 86,062 Equity Shares of Rs. 10 each. One of the salient features of the said scheme of reorganisation of share capital was that the existing Preference Shareholders, in consideration of the petitioner Company's issuing to them the new 11 per cent. Cumulative Redeemable Preference Shares of Rs. 10 each and also certain number of Equity Shares of Rs. 10 had agreed to forego their entire accumulated arrears of preference divided up to 31st March 1974 and such new 11 per cent. Preference Shares to be so issued to the said Preference Shareholders were to carry dividend with effect from 1st April 1974. The said new 11 per cent., Cumulative Redeemable Preference Shares were redeemable at par at the expiry of 12 years from the date of their respective allotment. The existing equity shareholders were to be issued 48,000 fresh Equity Shares of Rs. 10 each as against the existing 160,000 Ordinary Shares of Rs. 5 each thereby reducing the Ordinary Share Capital of the petitioner company to the extent of 40 per cent. amounting to Rs. 3,20,000 which remains unrepresented by the available assets of the petitioner company.

The Explanatory Statement to the notice dated 28th December 1974 calling the Extraordinary General Meeting of the petitioner company to be held on the 24th January 1975 wherein the special resolution confirming the said scheme of reorganisation and/or reduction of share capital was passed, is reproduced hereunder.

"The Company has passed through difficult time in the past resulting in continuous losses for reasons beyond the control of the management. In order to improve the financial position and profitability of the Company and to serve the Share Capital. the Directors have considered a Scheme of Reorganisation of Share Capital. The Scheme as mentioned in the resolution envisages conversion of all the different classes of Preference Shares into new Cumulative Redeemable Preference Shares of Rs. 10 each carrying dividend at the rate of 11 per cent. per annum (free of company's tax but subject to deduction of taxes at source at prescribed rates) and redeemable at par on the expiry of 12 years from the date of issue. The dividends on the new Preference shares will accrue from 1st April 1974. The paid-up Equity Share Capital of the Company is proposed to be reduced by 40 per cent. The new Preference and Equity Shares referred to in the Resolution will be issued to the holders of the existing Preference Shares in full and final satisfaction of all claims including the arrears of dividend on these shares amounting to Rs. 18,18,525 up to 31st March 1974. With the present working and prospects of future expansion, barring unforeseen circumstances, the Company should be in a position to meet its dividend liability on the reorganised share capital with immediate effect. The members will have noticed from the Company's last Annual Report and

Accounts for the year ended 31st March 1974 that the working of the Company has improved and it is hoped that the Company would show better results in future.

None of the Directors of the Company is interested in the aforesaid resolutions except as shareholders generally."

The said Order dated 10th March 1975 of the Hon'ble High Court at Calcutta and the Minutes under section 103(1)(b) of the Companies Act, 1956, as approved by the said Hon'ble Court have been duly registered with the Registrar of Companies, West Bengal, on the 1st day of August 1975.

Dated this 2nd day of August 1975.

The following Act of Parliament received the assent of the President on the 1st August, 1975, and is hereby published for general information:—

THE CONSERVATION OF FOREIGN EXCHANGE AND PREVENTION OF SMUGGLING ACTIVITIES (AMENDMENT) ACT, 1975

No. 35 OF 1975

[1st August, 1975]

An Act to amend the Conservation of Foreign Exchange and Prevention of Smuggling Activities Act, 1974.

BE it enacted by Parliament in the Twenty-sixth Year of the Republic of India as follows:—

Short title and commencement. 1. (*1*) This Act may be called the Conservation of Foreign Exchange and Prevention of Smuggling Activities (Amendment) Act, 1975.

(*2*) It shall be deemed to have come into force on the 1st day of July, 1975.

Insertion of new section 5A. 2. In the Conservation of Foreign Exchange and Prevention of Smuggling Activities Act, 1974 (hereinafter referred to as the principal Act), after section 5, the following section shall be inserted, namely:— 52 of 1974.

"Grounds of detention severable. '5A. Where a person has been detained in pursuance of an order of detention under sub-section (*1*) of section 3 which has been made on two or more grounds, such order of detention shall be deemed to have been made separately on each of such grounds and accordingly—

(*a*) such order shall not be deemed to be invalid or inoperative merely because one or some of the grounds is or are—

(*i*) vague,

(*ii*) non-existent,

(*iii*) not relevant,

(*iv*) not connected or not proximately connected with such person, or

(*v*) invalid for any other reason whatsoever,

and it is not therefore possible to hold that the Government or officer making such order would have been satisfied as provided in sub-section (*1*) of section 3 with reference to the remaining ground or grounds and made the order of detention;

(*b*) the Government or officer making the order of detention shall be deemed to have made the order of detention under the said sub-section (*1*) after being satisfied as provided in that sub-section with reference to the remaining ground or grounds.".

Amendment of section 12.

3. In section 12 of the principal Act, after sub-section (5), the following sub-section shall be inserted, namely:—

"(6) Notwithstanding anything contained in any other law and save as otherwise provided in this section, no person against whom a detention order made under this Act is in force shall be released whether on bail or bail bond or otherwise.".

Insertion of new section 12A.

4. After section 12 of the principal Act, the following section shall be inserted, namely:—

'Special provisions for dealing with emergency.

12A. (*1*) Notwithstanding anything contained in this Act or any rules of natural justice, the provisions of this section shall have effect during the period of operation of the Proclamation of Emergency issued under clause (1) of article 352 of the Constitution on 3rd day of December, 1971, or the Proclamation of Emergency issued under that clause on the 25th day of June, 1975, or a period of twelve months from the 25th day of June, 1975, whichever period is the shortest.

(2) When making an order of detention under this Act against any person after the commencement of the Conservation of Foreign Exchange and Prevention of Smuggling Activities (Amendment) Act, 1975, the Central Government or the State Government or, as the case may be, the officer making the order of detention shall consider whether the detention of such person under this Act is necessary for dealing effectively with the emergency in respect of which the Proclamations referred to in sub-section (*1*) have been issued (hereafter in this section referred to as the emergency) and if, on such consideration, the Central Government or the State Government or, as the case may be, the officer is satisfied that it is necessary to detain such person for effectively dealing with the emergency, that Government or officer may make a declaration to that effect and communicate a copy of the declaration to the person concerned;

Provided that where such declaration is made by an officer, it shall be reviewed by the appropriate Government within fifteen days rom the date of making of the declaration and such declaration shall cease to have effect unless it is confirmed by that Government, after such review, within the said period of fifteen days.

(*3*) The question whether the detention of any person in respect of whom a declaration has been made under sub-section (2) continues to be necessary for effectively dealing with the emergency shall be reconsidered by the appropriate Government within four months from the date of such declaration and thereafter at intervals not exceeding four months, and if, on such reconsideration, it appears to the appropriate Government that the detention of the person is no longer necessary for effectively dealing with the emergency, that Government may revoke the declaration.

(*4*) In making any consideration, review or reconsideration under sub-section (2) or (*3*), the appropriate Government or officer may, if such Government or officer considers it to be against the public interest to do otherwise, act on the basis of the information and materials in its or his possession without disclosing the facts or giving an opportunity of making a representation to the person concerned.

(*5*) It shall not be necessary to disclose to any person detained under a detention order to which the provisions of sub-section (2) apply, the grounds on which the order has been made during the period the declaration made in respect of such person under that sub-section is in force, and, accordingly, such period shall not be taken into account for the purposes of sub-section (*3*) of section 3.

(6) In the case of every person detained under a detention order to which the provisions of sub-section (2) apply, being a person in respect of whom a declaration has been made thereunder, the period during which such declaration is in force shall not be taken into account for the purpose of computing—

(*i*) the periods specified in clauses (*b*) and (*c*) of section 8;

(*iii*) the periods of "one year" and "five weeks" specified in sub-section (*1*), the period of "one-year" specified in sub-section (2) (*i*), and the period of "six months" specified in sub-section (*3*), of section 9.'.

5. (*1*) The Conservation of Foreign Exchange and Prevention of Smuggling Activities (Amendment) Ordinance, 1975, is hereby repealed. 6 of 1975.

Provided that the power under sub-section (2) of section 12 of the Act shall not be delegated to any such person except the Additional Commissioner.

5. **Procedure for assessment.**—(1) Every owner of a multi-storeyed building shall each year furnish a declaration in Form I and verified in the manner indicated therein, to the Building Tax Officer having jurisdiction before the 30th day of June of the year:

Provided that in respect of the year ending on the 31st day of March, 1976 such declaration shall be furnished by the 30th day of November, 1975:

Provided further that, on an application to him, the Building Tax Officer may, in his discretion, extend the date for delivery of the declaration.

6. **Manner of payment and assessment of tax where an owner dies.**—(1) Where an owner dies, his executor, administrator or other legal representatives shall be liable to pay out of the estate of the deceased owner to the extent to which the estate is capable of meeting the charge of multi-storeyed building tax assessed as payable by such owner, or any multi-storeyed building tax which would have been payable by him under the Act if he had not died.

(2) Where an owner dies without having furnished a declaration which he has been required to furnish under the provisions of rule 5 or having furnished a declaration which the Building Tax Officer has reason to believe to be incorrect or incomplete, the Building Tax Officer may make an assessment and determine the amount of tax payable by him, and for this purpose may by the issue of the appropriate notice which would have had to be served upon the deceased owner had he survived, require from the executor, administrator or other legal representatives of the deceased owner any accounts, documents or other evidence which he might have required from the deceased owner.

7. **Notice of demand.**—Where any tax or penalty is due in consequence of any order passed under or in pursuance of the Act, the Building Tax Officer shall serve upon the owner or other person liable to pay such tax or penalty the notice of demand in Form II specifying the sum payable.

(2) Any sum, other than penalty, paid by or recovered from an owner as advance tax shall be deemed to have been made towards the regular assessment.

(3) Any amount, other than advance tax, specified as payable in a notice of demand shall be paid within thirty-five days of the service of the notice at the place and to the person mentioned in the notice:

Provided that where the Building Tax Officer has any reason to believe that it will be detrimental to revenue if the full period of thirty-five days aforesaid is allowed, he may, with the previous approval of the Assistant Commissioner, direct that the sum specified in the notice of demand shall be paid within such period being a period less than the period of thirty-five days aforesaid, as may be specified by him in the notice of demand.

(4) On an application being made by the owner, the Building Tax Officer may extend the time for payment subject to such conditions as he may think fit to impose in the circumstances of the case.

(5) If the amount is not paid within the time limited under sub-rule (3) or extended under sub-rule (4), as the case may be, at the place and to the person mentioned in the said notice, the owner shall be deemed to be in default.

9. **Manner of assessment in case of short levy.**—Where it appears to the Commissioner or to an Officer to whom power has been delegated in this behalf that the tax levied under the Act has been short levied through inadvertance, error, or misconstruction on the part of the Commissioner or such officer or through any misstatement of the owner or his agent or for any other reason, the Commissioner or such Officer shall issue a notice directing the owner to produce or cause to be produced the books of accounts and other documents relevant for the purposes of examination for determining the amount of short levy and fixing a date not less than 10 days from the date of notice for preferring objections and adducing evidences in

support thereof. After inspection of such books of accounts and other documents as may be produced by the owner and after consideration of such submission and other evidences as may be made and produced by him, the Commissioner or such Officer shall complete the assessment and determine the amount of tax short levied under section 5 of the Act.

10. **Appeal.**—Any owner objecting to the amount of tax assessed under section 5 of the Act or objecting to an order imposing any penalty under section 7 of the Act, may appeal to the Assistant Commissioner against the assessment or order.

The appeal shall ordinarily be presented within thirty days of receipt of the notice of demand relating to the assessment or penalty objected to, but the Assistant Commissioner may admit an appeal after the expiration of the period if he is satisfied that the appellant had sufficient cause for not presenting it within the period.

11. **Memorandum of Appeal.**—(1) An appeal under rule 10 to the Assistant Commissioner shall, in the case where it is preferred against an order of assessment under section 5 of the Act, be in Form III, and where this is preferred against an order imposing any penalty under section 7, be in Form IV.

(2) Appeals may be presented either in person or by an authorised representative to the Assistant Commissioner within the period specified in rule 10. Appeals may also be sent by registered post addressed to the Assistant Commissioner so as to reach him within that period.

(3) (i) The memorandum of appeal before the Assistant Commissioner shall be accompanied by a certified copy of the order appealed against and two copies of the grounds of appeal and shall bear the following endorsements by the appellant or his agent authorised in writing in this behalf, namely: (a) that 50 per cent. of the tax assessed or penalty imposed or such part thereof as is admitted, whichever is higher, has been paid; and (b) that to the best of his knowledge and belief, the facts stated in the memorandum are true.
